# Company Profile

## SF Electrical Appliance Co.,Ltd.

SF Fan Electrical Appliance Co.,Ltd. is an OEM/ODM industrial and household fan manufacturer and supplier, our mission is to provide high-quality and reliable electric fans at competitive prices to wholesalers or small and mid-brand owners who are in the electric fan business. Leveraging advanced manufacturing technologies, skilled labor, and efficient supply chain management processes, we aim to ensure timely delivery of orders and provide exceptional customer service and support.

Our value proposition is to offer customized electric fan designs, allowing brand owners to differentiate themselves in the marketplace. We also prioritize sustainability and environmental responsibility by using eco-friendly materials and processes in the production of electric fans. By being a reliable and innovative partner, we aim to help wholesalers and small and mid-brand owners grow their businesses and meet the needs of their customers.

As an industrial and household fan manufacturer, we offer a wide range of products designed to meet the needs of both industrial and household customers. Our product range includes:

**Industrial and Household Pedestal Fan:** These fans are perfect for both indoor and outdoor use. They feature adjustable heights and oscillation functions for maximum air coverage.

**Industrial and Household Wall Fan:** These fans are designed to be mounted on walls for optimal air circulation. They are available in various sizes and come with adjustable speeds for personalized comfort.

**Industrial and Household Floor Fan:** These fans are designed to be used on the floor and come in various sizes. They are perfect for circulating air in large spaces like warehouses, factories, or homes.

**Exhaust Fan:** Our exhaust fans are ideal for removing hot air, moisture, and odors from enclosed spaces. They are commonly used in bathrooms, kitchens, and other areas where air quality is essential.

**Table Fan:** Our table fans are small in size, making them perfect for personal use. They are ideal for use in offices, bedrooms, or other small spaces.

**Fan Motor:** We offer a range of high-quality fan motors suitable for various applications. Our motors are reliable and durable, ensuring that your fans will perform optimally for a long time.

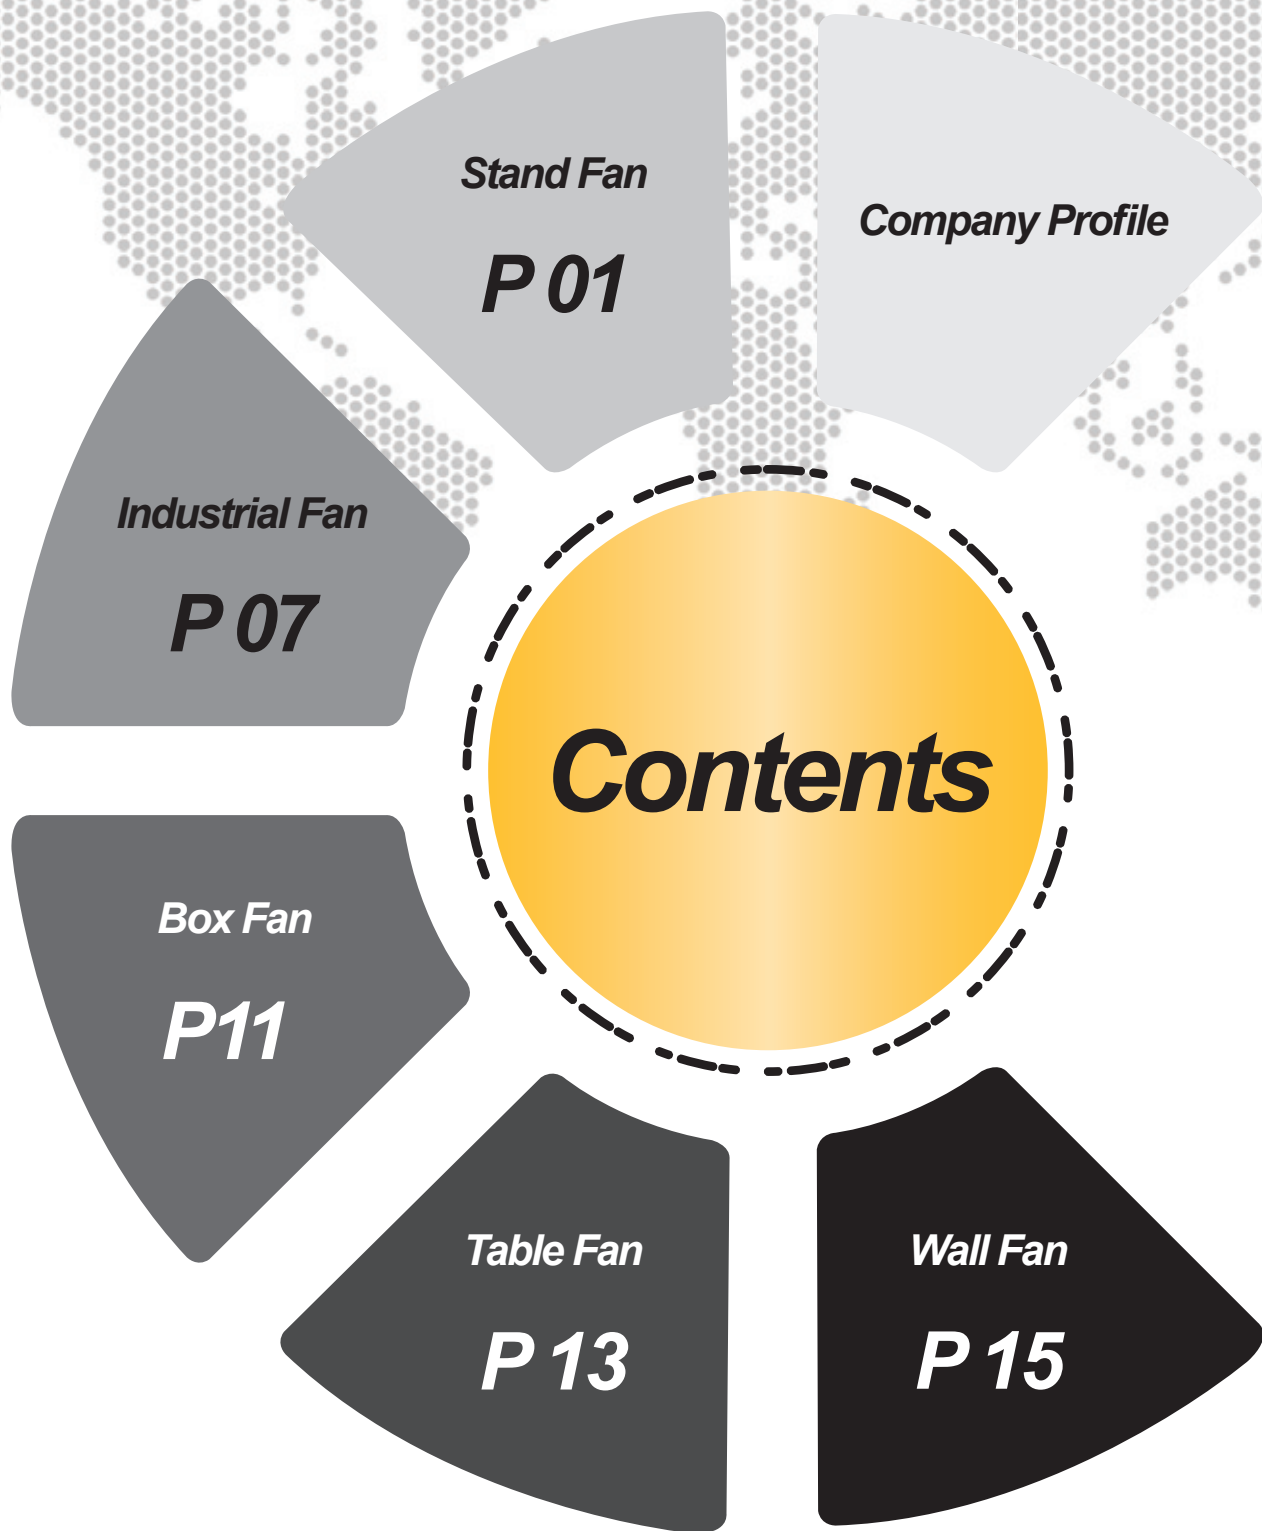

We take pride in our products and always strive to provide the best quality and service to our customers. Our electric fans are designed to meet the highest standards, ensuring maximum performance and durability.

We hold various certifications, including CE, CB, ERP, ROHS, and KC. These certifications are recognized internationally and indicate that our products meet strict standards for safety, performance, and efficiency.

We place great emphasis on meeting the needs of our customers and strives to provide the best possible experience for them. We understand that customer satisfaction is key to our success and have implemented various measures to ensure we meet the expectations of our clients.

One of our top priorities is providing excellent customer service. We have a team of knowledgeable and friendly representatives who are available to answer any questions or concerns that customers may have. Whether it's through phone, email, or online chat, we make sure to provide timely and effective support to our customers.
